“Orchids and Other Interesting Plants of Peru”

Speaker: Ray Van Veen

7:00 p.m.

The month of November brings us a speaker who has traveled extensively through out South America seeking out the local flora... Orchids, Bromeliads, Ferns and unusual Cacti.

Mr. Van Veen's Power Point presentation will be on the flora he observed during his travels in Peru, traveling along what is referred to as the "Oil Pipeline Route." He will take us along this route from Lima, Peru to Cuzco, Peru, including his visit with the Inca people he encountered along the way. Ray just recently returned from visits to Argentina and Brazil.
