Founded in 1950

February 2016

# Miltoniopsis by Arthur Pinkers Program Starts at 7:00 p.m. Monday, February 22, 2016

Arthur Pinkers has been an orchid enthusiast since the age of sixteen, when he acquired a plant of Slc. Glittering Jewel (Sl. Gratixiae x Slc. Hermes), which infected him with the orchid bug. His forty plus years of experience growing orchids started in the Pacific Northwest with a green house to fend off the cold, rainy days, but a decade ago a job change forced him to move to Santa Clarita, California, where the conditions are extreme for growing orchids.

Growing up in the Seattle area, Arthur attended Western Washington University in Bellingham, Washington, graduating with a B.S. in Chemistry and Biology. He worked for many years as a chemist, and had the fortune of having his dream job as the Lab Director for Beall Orchid Company until shortly before its close in 1990. Despite not having a current career working with orchids, Arthur has taken an active role in the orchid community. He has been an Accredited Orchid Judge for over twenty years and has served in most executive positions on the Board of the Northwest Orchid Society, including serving as President from 1988 to1989, and as a center photographer for the Pacific Northwest Judging region. Currently, Arthur serves as the Center Judging Chair at the Pacific South – San Marino Judging Center and one of the photographers for the Pacific South Judging Center. Though he has an interest in a wide variety of orchids, botanicals are a special draw to him for their diversity and charm.

Arthur has been married to his wife, Margie, for over twenty-seven years, and has two adult children. While they have not inherited his knack for growing orchids, his family enjoys the beauty and wild aromas his backyard jungle brings to their home, a respite from the desert landscape around them.

# **President's Message**

Well we are back on our normal schedule, the 4th Monday of the month and the El Nino hasn't hit as hard as expected so everything is good. We had an excellent turnout for our January meeting even with the change in date. As always Peter Lin gave an outstanding presentation, this time on laelias and also provided an excellent plant table. I received the facility permit from the City of Long Beach they approved all the dates I requested for Jul 2016 thru June 2017 so we are good to go through June 2017. The permit approved dates on our calendar are as follows:

Current permit: Feb 22, 2016 - Mar 28, 2016 - Apr 25, 2016 - May 23, 2016 - Jun 27, 2016 New permit: Jul 25, 2016 - Aug 22, 2016 - Sep 26, 2016 - Oct 24, 2016 - Nov 28, 2016 - Dec 19, 2016 - Jan 23, 2017 - Feb 27, 2017 - Mar 27, 2017 - Apr 24, 2017 - May 22, 2017 - June 26, 2017

Make sure to be at this months meeting; we will be handing out Plant Judging awards. See everyone on Feb 22nd.

"Yesterday is History. Tomorrow is a mystery. Today is a gift. That why it's called the present."
