Coelogyne, The Orchid That Hooked Me **presented by Arthur Pinkers** **Monday, August 26, 2019** **Presentation starts at 7:30 p.m.**

Arthur Pinkers has been an orchid enthusiast since the age of sixteen, when he acquired a plant of Slc. Glittering Jewel (Sl. Gratixiae x Slc. Hermes), which infected him with the orchid bug. His forty plus years of experience growing orchids started in the Pacific Northwest with a green house to fend off the cold, rainy days, but a decade ago a job change forced him to move to Santa Clarita, California, where the conditions are extreme for growing orchids.

Growing up in the Seattle area, Arthur attended Western Washington University in Bellingham, Washington, graduating with a B.S. in Chemistry and Biology. He worked for many years as a chemist, and had the fortune of having his dream job as the Lab Director for Beall Orchid Company until shortly before its close in 1990. Despite not having a current career working with orchids, Arthur has taken an active role in the orchid community. He has been an Accredited Orchid Judge for over twenty years, served in most executive positions on the Board of the Northwest Orchid Society, including serving as President from 1988 to 1989, and now past president of the San Fernando Valley Orchid Society. He was the center photographer for the Pacific Northwest Judging region 1993 - 2004. Currently, Arthur serves as the Center Judging Chair at the Pacific South – San Marino Judging Center and one of the photographers for the Pacific South Judging Center. Though he has an interest in a wide variety of orchids, botanicals are a special draw to him for their diversity and charm.

Arthur has been married to his wife, Margie, for over twenty-nine years, and has two adult children and a granddaughter. While they have not inherited his knack for growing orchids, his family enjoys the beauty and wild aromas his backyard jungle brings to their home, a respite from the desert landscape around them.

President's Message

Hello everyone. Pat and I are back from our trip to Kauai where we celebrated our 50th wedding anniversary. Our party of 19 which included our 4 kids, their spouses and 9 grandchildren went smoothly. We had beautiful weather and condos in a great location in Poipu where it was an easy walk to swimming pools, surf and snorkling beaches. It was the first trip to Hawaii for all my grandkids, and they all had a blast. One of my highlights of the trip was when I danced the Hukilau hula with my 5 granddaughters on stage at the Luau we attended. Pat and I were both challenged by our grandkids to jump off the pier in Hanalei Bay which we both did (no injury's). All in all it was a fantastic trip.

Thanks to our July speaker Doug Overstreet and everyone that helped run the SCOS meeting while we were celebrating in Hawaii.

Hope to see a good turnout at our August 26th meeting for Arthur Pinkers.

Aloha

John
