## PROGRAM

October 28, 1963 --- 8:00 p.m.

### "ORCHIDS TO GROW AND SHOW"

Nell & Rolan Howard

This month we are indeed privileged to have two of our own members as our guest speakers. Nell and Rolan have been growing orchids for many years and have travelled extensively.

Nell and Rolan are both American Orchid Society and Orchid Digest Corporation Judges. Rolan is a director of the South Coast Orchid Society and a past president.

Along with their slides they will have a very interesting and educational commentary. Let's have a good turn out to show our appreciation to members like these who are willing to share their experiences and knowledge with us.

Last month another member, Clark Day, Jr., presented a very entertaining program on *Sophranitis Grandiflora*. He showed slides and gave an interesting insight into the history and background of *Sophranitis Grandiflora* and some of its progeny. Many thanks Clark for the time and effort you spent to give us such an excellent and worthwhile program.

### PLANT FORUM

The plant forum was very ably handled by Lloyd DeGarmo, Frank Fordyce, and Leo Holguin. Paul Schaub is our plant forum chairman and we would like to take this opportunity to thank him for the excellent job he has done.

### PLANT PROCUREMENT

The plants last month came from Armacost and Royston and Leo certainly supplied us with a tremendous assortment. Many thanks. Also thanks to all others who contributed to the plant procurement last month.

The plants for this month will be furnished by the Howards and they have promised us a large variety so there will be many opportunities for us all.

### NOVICE CLASS

Approximately fifty members of the Novice Class enjoyed Clede Lincoln's hospitality at the October meeting. A very interesting program on general culture, etc. was put on by Woodrow Wilson.

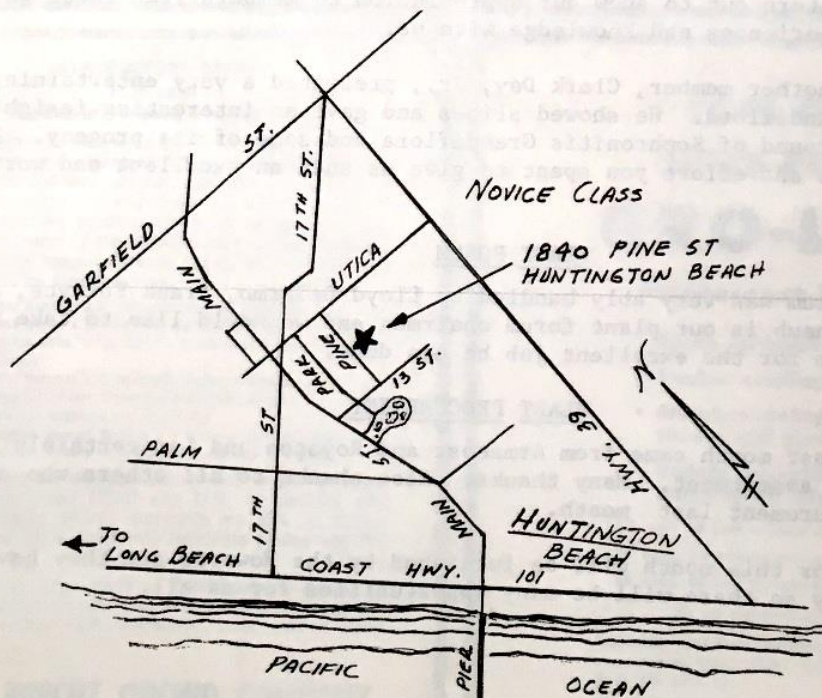

The next meeting of the Novice Class will be held on Sunday, November 3, 1963 at 10 a.m. at the home of Mr. and Mrs. V. T. Scoggins, 1840 Pine Street, Huntington Beach, California.

ATTENTION!!!! SOUTH LAND ORCHID SHOW - November 15, 16, and 17, 1963 at The Los Angeles State and County Arboretum  
Preview night is November 14th for Orchid Society members and guests.  
Hosts and hostesses for 2 hr. shifts are desperately needed for this show so please sign up with Paul Brecht if you can help with this.  
Please don't forget our Society display for the Southland Show - we will need lots of plants and plenty of help so please volunteer.

### NEW MEMBERS

We welcome the following new members of our society:

## YOU GET THE RED CARPET TREATMENT WHEN YOU COME TO STEWARTS

When you come in our door you are an important person to us. We want you to feel at home and enjoy your visit. We have a staff of trained salesmen-growers to help you select the plants you want.

When you first come in to Stewarts you see an attractive patio with lounge chairs and a pot full of hot coffee on the table so you can relax. Many of our customers come a long distance and like to rest a bit before going into the orchid houses.

At Stewarts you will find displays throughout the houses with names, parentages, and prices to aid in your selection.

In the Spring we have our Cymbidium Festival and Potting Demonstrations. We also have our Cattleya Cultural Demonstration in the Fall. All these and more are our way of showing that we like to see you come to Stewarts where you get true "red carpet treatment."

We have 12 houses of Cattleyas, 12 of Cymbidiums, 1 house of Cypripediums and 2 of Botanicals — all for your orchid pleasure.

Don't you think you should come to see the exciting new crosses at Stewarts — soon? Let us show you what we mean when we speak of
