MEETS FOURTH MONDAY

Commercial Night

This is the meeting when our Advertisers and Commercial friends come to us to show and talk about the new and interesting things they're doing. We will have a chance to browse and talk to them about what they've brought -- and to purchase.

Orchid ranges from Santa Barbara and throughout Southern California will be represented. It's a great opportunity to do some shopping and perhaps some gift planning when selections are brought to us from many sources.

If you want display space and haven't been contacted, please call Don Pollard (213) 421-4366.

PLANT TABLE

The Commercial people have always been more than generous in donations to the plant table on this special night. However, they can't do it all and we, the membership, are also asked to bring a plant for the table.

SILENT AUCTION

This feature has become very important to the Society. Donations are solicited and welcomed. Thanks to Paul Brecht, Phyllis Cross and Woody Wilson for the blooming plants donated in October.

RIBBON JUDGING

We regret that there is not enough table space to have ribbon judging at the November meeting.

REFRESHMENTS

This will be the last call for cookie donations from members for the year (the Directors traditionally supply refreshments in December). Paul wants to thank all who responded so generously throughout the year. His helpers at last meeting were John Hanes and Don Bradish.

Those invited to bring cookies in November are: Mrs. Mary Vaquera, Mr. & Mrs. John Vidulich, Mr. & Mrs. Merritt White, Mrs. Gloria Wildharber, Pam Williams, Bill Wininger, Al Wattson, Archie Woods, Bob Parker, Mr. & Mrs. Lawrence Arakaki and the Wilsons.

Helen Powell

Helen (Mrs. W. R.) Powell passed away in October. She was the wife of Bill and mother of our membership secretary, Helen Faye Powell.

We especially will remember her out at the Pomona Fairgrounds and other places giving encouragement and support to the people putting in Society exhibits. We offer our sincere condolences to her family.

-- Novice News --

The Novice Group had a magnificent time and a great pot-luck lunch at Myrtle Risleys. Pat Rowland gave tips on growing. She encourages everyone to buy seedlings--it adds excitement to one's life to see what develops from them, she says.

The December meeting will be held at Walter Cousineau's range in West Covina. This is a "certificate" meeting. The money in the Novice Group's treasury will be divided among 19 people, who have attended the required number of meetings, in the form of certificates to be spent at the December meeting.

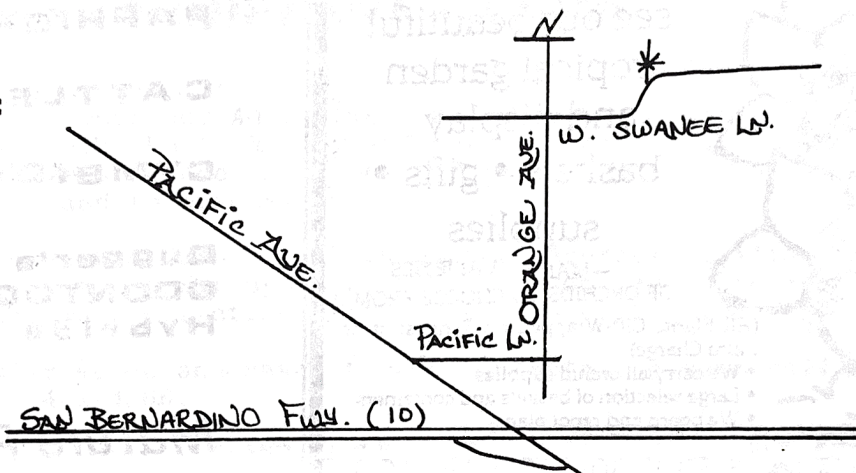

Walt has several greenhouses full of beautiful orchids, including equitant oncidiums and many lovely hybrids from the Islands.

LAST MONTH

Lynn Mauzer sees beauty even in the "trail of the snail". He gave us a wonderful demonstration and lesson last month in making arrangements using our exotic orchids. In many cases he likes to put them with dried material of all sorts from the yard that would usually be thrown away. Thank you very much, Lynn.

GUESTS

Welcome to our guests. We hope you will come again. Those signing the list in October were: Kelley Ann Campbell, Dr. Ron McHatton, Arthur and Harriet Liska, Emily Martins, Donna Biles, Marie Hunter, Georgia Nagel, Mike Ellsworth, Teresa Bartolome and James and Gladele Graeser.

PLANT TABLE

Thanks to the Rowlands and Sarah Ross whose donations to the table were much appreciated.
