## Orchid of Vietnam by Angelic Nguyen

**Monday, September 25, 2017**  
**Program starts at 7:00 p.m.**

Angelic Nguyen is an artist and designer who has been growing orchids for about 20 years. Varieties she grows include hybrids and species Cattleyas, Cymbidium, Phalaenopsis, Laelias, Dendrobiums, Oncidiums, Lady Slippers, Lycastes, Bulbophylums, Vandas and many other orchids. Recently she has also been concentrating on photography and has taken thousands of orchid pictures. She started her company, Orchid Design, in 1999 and has been participating in the Pacific Orchid Exposition, the Santa Barbara International Orchid Show, the San Diego International Orchid Show, the San Francisco Flower & Garden Show, and many other shows. She has been involved in many activities to support orchid societies with promoting shows, design and printing for postcards, brochures and flyers, and has also served as President, show chair, and as a board member of several Bay Area orchid societies. She is currently the show chair for the San Francisco Orchid Society's summer show, "Orchids in the Park".

Angelic has also been giving orchid presentations and skill sessions for orchid and garden societies, using her experience and large selection of her photographs. She has spoken on a variety of orchid topics, including the 19th World Orchid Conference, Fragrant Orchids, Unusual Cymbidiums, Pendulous Cymbidiums, "Cattleya, the Queen of Flowers", Laelia Species, Vietnamese Lady Slipper Orchids, and "The Fascinating Orchids of Vietnam". ## President's Message

Time for the penultimate meeting before our SCOS Orchid Auction in October. Our orchid auction is the most important event of the year for SCOS. The auction provides the funding for our monthly orchid meetings which includes paying the monthly rent for the facility of \$270 per month, the speaker and plant tables that average \$300 per month. For this reason we need all members to participate in the auction event in what ever way you can. Ways you can participate to make the auction a success 1) come to auction and bid on the plants 2) provide auction items 3) invite your family , friends and neighbors to the auction 4) take some orchid auction flyers at the next meeting and distribute wherever you think they might draw people to the auction 5) volunteer to help at the auction. Talk or call Mong if you would like to help on auction night, and see Janell for auction flyers.

At our August meeting Tim Culbertson gave an excellent presentation on orchid flasking and deflasking. The bonus for those that attended was that Tim provided seedlings from two flasks for members to pot up which they took home for their collection. A big thanks to Tim.

I will not be at the September meeting but I will be at October auction. See you then.

John Reyes
