ORCHIDS ARE GRACIOUS—WEAR THEM!

PROGRAM:

December 22, 1969.....Christmas Party

What better way to launch the Festive Season than with a great big get together on Monday night at S.C.O.S. Although we do not plan a formal program we do plan some tremendous entertainment. We have prevailed upon Mr. and Mrs Adam Reed and family to get us into the right mood with a short program of carols. For those of you who have not heard them you just don't know what you have missed, they are absolutely marvellous, take it from an old tone deaf Editor. We are also planning an elongated(stretched out) plant forum by some very knowledgeable people. Through and during all this coffee will be available on a help yourself basis. Then for the finale type thing the Officers and Board members will again provide our answer to the Weight Watchers, a loaded table of good goodies presided over by Mrs'Santa' Clark and all her big and little helpers. As an added inducement for you all to come along and join our celebration, through the courtsey and kindness of Leo Holguin, Armacost & Royston and their staff a seedling will be given to all who bring their membership ticket. (purple one attached to this bulletin.) Again a table will be set aside for anyone wishing to display Xmas corsages and arrangements. This will give you all an opportunity to show how much you learned from Mrs Hagins demonstration in November. Our President will have a few prizes for the most outstanding. Last but by no means least you are all invited to participate in a gift exchange. You do not have to bring gifts but remember if you don't bring one you won't receive one. No gift should exceed a \$2.00 value and it should pertain to Orchids, something you would enjoy getting yourself. Only those who bring presents will get tickets on the gift exchange.

PLANT PROCUREMENT: Again you are invited to participate, for the table will be supplied by you, the members. This is the season for giving so seek out that odd division or what have you that you have been saving for a special occasion and give one of our members the joy of taking it home.

PROGRAM PAST: Again our commercial friends came through with flying colors and provided us with the type of evening we are wont to expect from them. With such varied and beautiful displays I am sure everyone saw something to add to his or hers 'want' list. We must say 'thanks' in a big way for the wonderfull procurement table they provided too, and I should mention that many other donors were responsible for ably backing this up, too many to enumerate, so please accept this blanket thank you, one and all.

BANQUET: I am told that plans for this Gala Event are still progressing favorably. I am also told that Mrs. Jerry Worthen has again accepted the responsibility of providing the table decorations so this assures us of the usual gorgeous, floriferous creations we admire so much. Doesn't she do a tremendous job? Despite inflation we are indeed fortunate in that S. C. O. S. is able to hold the price of tickets to our last years level thanks to some mighty good management by all concerned. May I suggest that you mark this date on your calendar with a whopping great red circle. Don't let anything interfere with our Date of Jan. 26, 1970.

GOOFS: I hope this is the season for forgiving as well as giving for I do'ed it again. The Ribbon Award for Culteral achievement awarded to C. Portia in October belonged to Mrs. Della Murphy. I also ove rlocked the fact that I had no report of the corsage donation. Sorry Mrs. Worthen but this time the fault was not entirely mine, my reporter slipped up also.

AMATEUR 'HOUR': Sorry, there will not be one in December, I am sure some of you will be disappointed but press of arrangements for the rest of the evening precluded this most popular program. I must take this opportunity though to thank Mrs. Hagin for a wonderfull program in Novemeber. Again the comments were highly complementary. Thank you also Mrs. Hagin for the beautifull corsage you donated.
