Long Beach

Social Hour - 6:30 p.m.
Dinner - 7:30 p.m.

JANUARY PROGRAM

We begin the new year with a gala event, South Coast Orchid Society's 23rd Annual Installation Banquet at the beautiful Petroleum Club in Long Beach.

This year our world traveling members, Ruth and George Kennedy will present the program. The Kennedy's possess a wealth of actual experience in collecting orchids in their natural habitat. Their observations while collecting in the climates in which the plants thrive will certainly help us meet our challenges in raising orchids here in Southern California. This program promises to be both entertaining and informative for everyone.

Again we are fortunate to have table decorations by the talented Jerry Worthen. Her beautiful creations are an inspiration that will enhance your enjoyment of this marvelous evening.

Annual Awards will be presented to the lucky recipients and there will be an outstanding plant table to add to your enjoyment.

If you have not already received your tickets, please contact Woody or Ann Wilson (213-869-7000)

RIBBON AWARDS

First...3 points... Paph Maudiaex Talega, exhibitor, Andy Yamamoto
Second...2 points.. Epicat Preview x Cat. aurentiaca, exhibitor, Andy Yamamoto
Third...1 point.. Onc. maculatum, exhibitor, Pearl Voich
Cultural... Paph Corsan Halfords, exhibitor, Mr. & Mrs. B.A.Reed.

LAST MONTH

From all reports, our annual Christmas party turned out to be a real festive occasion. Nick O' Lodeon led the group in a sing-a-long of old time favorites and Dr. Aucreman showed his marvelous slides for everyone's enjoyment.

The Board members and officers provided a very tasty buffet enhancing everyone's pleasure in this entertaining evening.

NOVICE CLASS

LAST MONTH The novice class enjoyed the hospitality of Mr. & Mrs. John Hanes. John treated the group to tips on potting, dividing and propagating paphs. Everyone surely benefited from his great experience.

NEXT MONTH The meeting will be held Feb. 4th, 10A.M. at the home of Walter Rybazyk, 3853 Michillinda Drive, Pasadena. Mr. Rybazyk is a collector who haunts the native habitats, so this should be a most interesting session. Bring a chair, a plant and a friend and join the group.

EDITOR'S NOTE

It has been a pleasure to serve the society for the past year, however, like many of you, I just can't spread my time thin enough to cover all my obligations well. I would like to thank all of you who have helped me; especially Sonia Clark, who mailed the bulletin out when I was away, and Terry Bance who always got the information to me on time.
