SEPTEMBER MEETING: For those of you who braved the heat, I heard that you were treated to quite an informative lecture on phalies by hybridizer JOHN EWING. And the oppertunity table was pretty good, too. A BIG THANK YOU to all who donated to the table!

LOOKING AHEAD DEPARTMENT: November brings our annual COMMERCIAL NIGHT. This is the night where all the local growers and suppliers display thier wares and tell us what's new. And you'll never guess where the plant table comes from.....You can't afford to miss this one!!! Our December meeting will feature Christmas music from the St. Anthony's Christmas Band and carols sung by our own Bud Rowland! Mark your calendar for the THIRD MONDAY IN DECEMBER instead, since the fourth Monday is Christmas!

SHOW BUSINESS: 'Tis the end of the show season, and S.C.O.S. has \$1,514.00 to show for it. Not enough can be said on the efforts of Chairman CHARLIE BOWMAN to organize all the details, etc., etc..... Not to mention ALL THE S.C.O.S. MEMBERS THAT DONATED PLANTS, BACKGROUND, TIME, TRANSPORTATION, AND THEMSELVES this year. This success belongs to you!!! Now, we all have a breather until April, and I suggest you should use it figuring out how S.C.O.S. can have a better 1979! As I've said before, we're only as good as our membership, AND THAT'S US!!!!

AND A HUMUNGOUS THANK YOU: To every Board Member, Committee Chairperson, Officer and Advertisor for getting in your ¢2 worth for the Bulletin ON TIME. No thanks to my professor who moved my midterm up a week, though.....Next month's deadline: NOVEMBER 13. If you're running it a little close, call around 5-6P.M. - (213) 831-2993.

SOUTHLAND SHOW ALREADY??? DEPARTMENT: BOB MCKAY has accepted the responsibility as Show Committee Chairman, replacing CHARLIE BOWMAN (naw, there hasn't been a replacement for him since the bionic man went off the air.....). We extend our congratulations to Bob, and best of luck in this trying job!!

WE EXTEND OUR DEEPEST SYMPATHY to Treasurer Ron Allenequi in the passing of his mother.

Well, that's more than enough for this month, and I'm tired after that midterm, so unless you want to hear about physical chemistry, I'll sign off. October should be cooler than 104°, so I look forward to seeing more of you this Monday! Remember, if you have anything at all to say about the Bulletin, tell me! The only way I can improve the quality of our Bulletin is from your raps and raves!!!

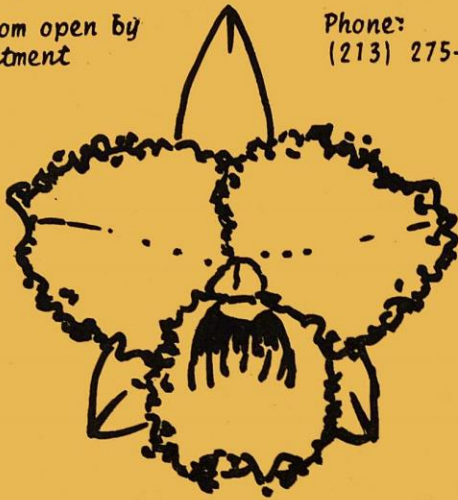

HAPPY HALLOWEEN, *Michelle & Jim*
