Once again we owe a big debt of gratitude to Charles Bowman for handling the arrangements so that our Society could enter displays in the San Diego County Fair at Del Mar and the Orange County Fair. Both events were highly successful, especially to our treasury.

The final event this year will be the Los Angeles County Fair which opens September 10th at Pomona.

Blooming orchid plants will be needed for the display. If you have even just one plant in bloom, please let Charlie know, or call Woody Wilson (213) 869-7000 so it can be picked up. The cooperation of all members is really appreciated.

Novice News

The Novice Group had a great time at Dr. Stegeman's in August. He and his wife treated us royally. The turn-out was very good. It was good to see Sam and Frances Koenigsberg out again after his illness.

Dr. Nick Baldassano came from Laguna to talk to us about outdoor growing and exhibited some very interesting specimen plants that he has grown outside.

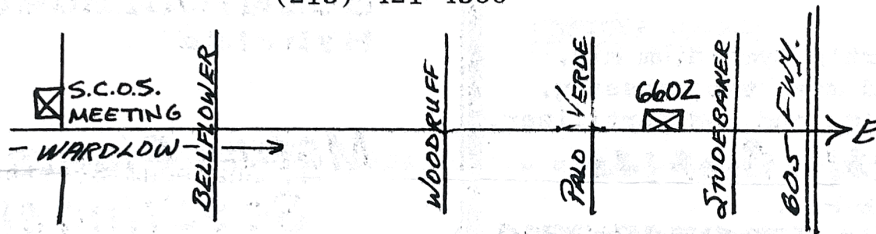

The September meeting will be held at the home of Don Pollard and Bob Lesser on Wardlow - not far from our meeting place. Please be sure to bring a chair. Everyone is welcome. These "back yard" meetings are wonderful ways to become better acquainted and to see how someone else grows his plants.

Last Month

Dr. Fowlie's talk on his trips to Mt. Kinabalu in North Borneo to study ladyslipper habitats was very interesting. He really pinpointed through his talk and slides where and exactly under what conditions certain species grow. Thank you very much, Dr. Fowlie.

Along with a plant table supplied by the Arboretum, Charles Bowman of California Greenhouse Controls donated a Hi-Lo Thermometer, Paul Brecht of Brecht Orchid Gardens donated 2 Dendrobiums and Tex and Gidget Severance brought Ascocendas and Epis.

Peter Lin and Alex Hernandez very ably conducted the Plant Forum.

Paul Brecht has asked us to extend special thanks to all those who have contributed to the refreshment hour. The response this year has been outstanding and it is very much appreciated.

GUESTS at the meeting were: Candace Detlefsen, Gene DuBois, L. Werner, Richard Lucas, Joe Montell and Keith Huber. Please come again and we hope you will want to join with us.
