### Guest Speaker for October

The October Meeting of the South Coast Orchid Society will feature what promises to be a very interesting presentation on "Collecting Orchids in Peru". Mr. Bill Bergstrom, owner of BERGSTROM ORCHIDS in the city of Thousand Oaks, is our guest speaker and will show us some of the wide variety of Cattleyas, Lycastes and other beautiful and interesting Orchids that abound in the mountains and jungles of Peru. Don't miss this talk and the chance to win some of Bergstrom's famous Species.

### Reflections On Last Meeting

Last month at our June meeting, we had the pleasure of hearing Dr. Robert Hull speaking on some of the outstanding members of the Cattleya and Laelia alliance. Thank you, Dr. Bob, for a great presentation and a super Plant Table. Dr. Hull is the owner of Sunswept Orchids at 3860 Sunswept Dr. in Studio City, (818) 506-7271. SCOS will be putting in a 5x6 foot display at the East West Orchid Show at the New Otani Hotel. Dr. Plocher tells us that we still need more blooming plants, and Ann Wilson informs us that there is still openings for hosts & hostesses for the show.

The '93 SCOS elections will soon be here and we still need a First Vice President. Please call Charles Bowman or any Officer if you will be willing to help.

**DON'T FORGET OUR ANNUAL PLANT AUCTION!!** It is coming up next month on the 23th of November. Remember to put some divisions and extra plants aside.

Our Visitors included: JanelleSchuck and W. Lance Jones. Hope to see you again.

### Plant Table Donations

SCOS thanks Paul Brecht and Art McCann for donations of flowering plants and to Bonnie Navens for her donation of three Phap's. Thank you for your generosity.
